Fax: 402.483.4802

Great Changes are happening in our Chapter!

NEACEP now has 114 members and our Executive team is discussing ways we can reach out to other colleagues to increase our membership. To that end we will be entering a contract with National ACEP to offer more support to our chapter. We hope to make changes to our web site to make it more interactive and current. We also hope to find ways to engage our members across the State by audio or video conference calls. We will be discussing these changes and brainstorming ideas at our November membership meeting. I hope as many of you as possible can attend either in person or by phone.

Date: Wednesday November 15, 2017

Location: Mahogany Prime Steak House
13665 California Street, Omaha, Nebraska

AGENDA:

6:00 PM - Social time

6:30 PM - Keynote:

Anticoagulation, DVT/PE treatment

Paul Dobesh, PharmD

University of Nebraska Medical Center

7:30 PM - Business Meeting

I hope many of you can join us in person but if not there will be a call-in number emailed via our listserv closer to the date.

ACEP assists DMAT teams as they prepare to respond to Hurricane Harvey

Rick Murray, EMT-P

Director, Dept of EMS and Disaster Preparedness

ACEP was pleased to furnish classroom space over the weekend of August 26 to DMAT teams from several states that were staged before they deployed. MN Chapter Executive Shari Augustine, who is a member of the MN DMAT, contacted ACEP staff to inquire of the possibility of using the ACEP Board Room for training for the various teams. Space was provided for training for over 240 members for DMAT teams and U. S. Public Health Service personnel. This provided them the opportunity to receive some last-minute training and briefings before they deployed to various areas of the Texas coast that were impacted by Hurricane Harvey.

ACEP has a lot of [resources for the public](#) about preparing for and surviving disasters and they are being promoted to general public audiences.

Also, here are some [general talking points](#) about responding to disasters. They can help in talking with the news media.

National Disaster and Life Support Foundation

The National Disaster Life Support Foundation is very pleased to have partnered with the American College of Emergency Physicians (ACEP) to provide disaster medicine training and to further develop the NDLS education materials.

The NDLS program began in the late 1990's with a realization that there was a lack of standardized training for medical and nursing providers who may be responding to disasters. Individuals were medically trained within their specialty to the same National Standard, however disaster specific education was not included in the majority of medical and nursing curricula. Examples of the missing material included:

- Scene safety
- Standardized triage methodology
- Incident Management
- Identifying and requesting needed resources
- What constitutes a disaster
- Public Health impact of disasters

The NDLSF established an affiliated membership-based organization for the purpose of overseeing the development and revision of the curriculum. This organization is the National Disaster Life Support Education Consortium (NDLSEC).

The NDLSEC Annual Meeting will be held in conjunction with ACEP's 2017 Annual Scientific Assembly in Washington, D.C., October 29 – November 1, 2017.

White Coat Day on Capitol Hill at ACEP17

Decisions made by Congress influence the practice and the future of emergency medicine on a daily basis. Join your emergency physician colleagues in Washington, DC on November 1 and spread the word to legislators and their staff about the critical role of emergency physicians in our nation's health care delivery system. White Coat Day participants will be asked to attend a special advocacy training session prior to heading to Capitol Hill. Transportation will be provided and all participants will receive a customized schedule and materials to share in the meetings.

There is no fee to participate but advanced registration is required. Participants can sign-up as with their ACEP17 registration or may sign-up separately if not registered for ACEP17. Go to [White Coat Day](#) for more information or contact [Jeanne Slade](#) in the ACEP DC Office.

Register for White Coat Day at ACEP17!

DON'T MISS THE OPPORTUNITY TO VISIT CAPITOL HILL
WITH YOUR EM COLLEAGUES WHILE IN WASHINGTON, DC

**Spread the word about the critical role of emergency physicians
in the health care delivery system**

ACEP staff will schedule your visits in advance. Participants will receive advocacy training prior to the visits. Transport to and from Capitol Hill is provided. Please bring your white coat!

Advanced registration is required. Participants can sign-up with ACEP17 registration or may register separately if not attending ACEP17.

Articles of Interest in *Annals of Emergency Medicine*

Sandy Schneider, MD, FACEP

ACEP Associate Executive Director, Practice, Policy and Academic Affairs

ACEP would like to provide you with very brief synopses of the latest articles in Annals of Emergency Medicine. Some of these have not appeared in print. These synopses are not meant to be thorough analyses of the articles, simply brief introductions. Before incorporating into your practice, you should read the entire articles and interpret them for your specific patient population. [Read More](#)

No Emergency Department is Immune from Violence

But you can be better prepared and reduce the risk of harm to your patients, your staff, and yourself. You can implement security measures, changes in your processes and policies, education and training, and attention to design details. Learn how with these new free resources from ACEP, all in one place, easy to find -- [Violence in the Emergency](#)
